

Application List

Detroit

GHG10 (PFLOW009)

Freightliner Cascadia (2010-2013)

Freightliner M2 106 & 112 (2010-2013)

Western Star 4700, 4800 & 4900 (2010-2013)

Western Star 5700 (2010-2013)

GHG14/GHG17 (PFLOW001)

Freightliner Cascadia (2014-2020)

Freightliner M2 106 & 112 (2014-2020)

Western Star 4700, 4800 & 4900 (2014-2020)

Western Star 5700 (2014-2020)

GHG21 (PFLOW002)

Freightliner Cascadia (2021-Present)

Freightliner M2 106 & 112 (2021- Present)

Western Star 4700, 4800 & 4900 (2021-Present)

Western Star 5700 (2021-Present)

Volvo/MACK

GHG10 (PFLOW008)

Volvo VNL, VNR & VNX (2010-2013)

Volvo VHD & VAH (2010-2013)

MACK Anthem & Pinnacle (2010-2013)

MACK Granite (2010-2013)

GHG14 & GHG17 (PFLOW010)

Volvo VNL, VNR & VNX (2014-2020)

Volvo VHD & VAH (2014-2020)

MACK Anthem & Pinnacle (2014-2020)

MACK Granite (2014-2020)

GHG21 (PFLOW011)

Volvo VNL, VNR & VNX (2021- Present)

Volvo VHD & VAH (2021-Present)

MACK Anthem & Pinnacle (2021- Present)

MACK Granite (2021-Present)

PACCAR

EAS3 (PFLOW020)

Kenworth T680 & T880 (2013-2017)

Kenworth W990 (2013-2017)

Peterbilt 579, 567 & 389 (2013-2017)

EAS4 PETERBILT (PFLOW021)

Peterbilt 579, 567 & 389 (2017-2023)

PACCAR

EAS4 Kenworth (PFLOW022)

Kenworth T680 & T880 (2017-2023)

Kenworth W990 (2017-2023)

PACCAR – EGR

Peterbilt EAS3 EGR MX-11 & MX-13 (2010-2016)

Peterbilt MX-11 & MX-13 (2010-2016)

Fully simulates the operation of the EGR valve

Simple installation via main EGR plug using factory connectors

No splicing or soldering work required

Manufactured using the highest quality components

Fully water resistant

Peterbilt EAS4 EGR MX-11 & MX-13 (2017-Present)

Peterbilt MX-11 & MX-13 (2017-Present)

Fully simulates the operation of the EGR valve

Simple installation via main EGR plug using factory connectors

No splicing or soldering work required

Manufactured using the highest quality components

Fully water resistant

Kenworth EAS3 EGR MX-11 & MX-13 (2010-2016)

Fully simulates the operation of the EGR valve

Simple installation via main EGR plug using factory connectors

No splicing or soldering work required

Manufactured using the highest quality components

Fully water resistant

Kenworth EAS4 EGR MX-11 & MX-13 (2017-Present)

Kenworth MX-11 & MX-13 (2017-Present)

Fully simulates the operation of the EGR valve

Simple installation via main EGR plug using factory connectors

No splicing or soldering work required

Manufactured using the highest quality components

Fully water resistant
